COMMUNICATION RE: MISSING PARTS

Box Missing Parts
Commissioner for Patents
Washington, D.C. 20231

In response to the "Notice to File Missing Parts" (see enclosed copy), we submit the signed Combined Declaration and Power of Attorney along with a check in the amount of \$65.00 to cover the small entity surcharge and a check in the amount of \$511.00 to cover the small entity basic filing fee.

The Applicants note that the two copies of the Declaration and Power of Attorney filed herewith are conflicting. The Applicants intend that the inventive entity include all seven inventors who have executed at least one of the Declarations: Clifford P. Stanners, Christian Ilantzis, Cosme Ordonez-Garcia, Maryam Taheri, Robert A. Screaton, Abraham Fuks, and H. Uri Saragovi. The Applicants will submit a new Declaration as described in MPEP section 201.03 (2nd paragraph, 1st paragraph which is reproduced below):

Conflicting oaths or declarations filed: If the first executed oaths or declarations that are submitted name different inventive entities (e.g., one declaration names A, B, and C as inventors and a second declaration names D as the inventor) and are filed on the same day, the application will be considered to name the inventors named in both declarations (A, B, C, and D) and a new oath or declaration in compliance with 37 CFR 1.63 including the entire inventive entity will be required. Where an application is filed with an executed declaration under 37 CFR 1.63 naming an inventive entity that is in conflict with another paper filed in the application, such as the transmittal letter, the executed declaration will govern. However, where an executed declaration is never submitted and the application papers are in conflict as to the inventorship, each party identified as an inventor on filing will be considered to have been named as part of the inventive entity. See 37 CFR 1.41(a)(1).
